Profile Management

[Manage My Profile](#)
Maintain your personal details and payment information

[Manage Password & Email](#)
Change your password and update your email address

You can select how you wish to receive your documents via mail, email or fax.

For email you have 2 options:

URL: Your email will be a notification that informs you that your document(s) are ready for your review. The email will contain a link that takes you to the website to view your documents.

PDF: Your document(s) are attached to the email as a pdf.

On this page you can: update phone and fax numbers, reset your document distribution, add additional email addresses, and set up your online payment profile.

If you are making payments on this website you will need to update the address on this My Profile page. The address here refers to the payment account you are using, and may be different from the address where you receive your invoices/statements.

Checkmark the Make Payments box. Select your payment type.

For ACH payments: Add your Bank Account Number and your bank's Routing Code/ABA. The Routing Code is the 9 digit number that appears on the bottom of your check.

Always save your changes by clicking the button.
